Optimuz gives you the flexibility to pick and choose the coverage that you need with Fire Insurance being the main protection.

## FIRE INSURANCE

### Fireproof your business.

You can't stay cool about a fire.  
Fire can eradicate entire businesses.  
And it can happen to you.

So make sure you cover loss and damage to your business premises and its contents, as a result of fire or lightning or domestic explosions.

Depending on your needs, our basic policy can be enhanced to cover other causes of loss such as flood, earthquakes and even riot and strikes.

## FIRE CONSEQUENTIAL LOSS INSURANCE

### Ensure the continuity of your business.

Fire can cause irreversible losses, not just material but financial.

Fire Consequential Loss Insurance offers additional insurance to help cover those losses that occur because your business can't get back on track **after** a fire. It takes into consideration losses such as loss of Gross Profit due to turnover reduction, increase in working costs and additional expenses incurred as a result of business interruption caused by fire.

## EQUIPMENT ALL RISKS INSURANCE

### Because when your machinery stops, so does business.

Getting an insurance cover for industrial machinery and commercial equipment which are vital to your business is a must.

Equipment All Risks Insurance protects both mobile as well as immobile equipment such as printing machines and food packaging machines, among others. Your fleet of tractors, forklifts, bulldozers which are not licensed for general road use, can be covered against accidental collision, overturning, theft and malicious acts.

## PLATE GLASS INSURANCE

### BURGLARY INSURANCE

#### Crime doesn't pay. We do.

Burglaries and thefts happen when you least expect it, so be prepared.

A basic coverage for loss of and damage to valuable items that are stored in your business premises due to theft by forcible entry and armed robbery, is advisable for all businesses.

### MONEY INSURANCE

#### Money comes and goes. Make sure it comes more than it goes.

You work hard to make more money, so you certainly won't want to risk losing your cash.

Money Insurance covers loss of money as a result of burglary or robbery.

Money Insurance covers Money in Transit, such as cash sales, on your way to the bank or money withdrawn for wages, on the way back to your office. It also covers loss of Money in Premises, which means cash, cheques, postal or money order, stamps and bills of exchange stolen from your business premises.

#### Coverage that won't crack under pressure.

People who live in glass houses shouldn't throw stones! Take it literally, as it can cost you a small fortune to replace any glass structure.

Plate Glass Insurance is specially designed for businesses with glass doors, windows, glass panels and showcases. It covers accidental breakage of glass in the premises but does not cover disfigurement or damage other than fractures extending through the entire thickness of the glass.

## FIDELITY GUARANTEE INSURANCE

### The next best policy.

It's a sound policy - not to take honesty for granted.

Though you trust your employees, we suggest you lessen your risk of loss of monies, negotiable instruments or company goods as a result of employee dishonesty or fraud.

## PUBLIC LIABILITY INSURANCE

### Accidents happen. Strike a deal with it.

Should an accident happen on your business premises, and someone - a child, a customer or a visitor - is hurt or injured, you could be held responsible.

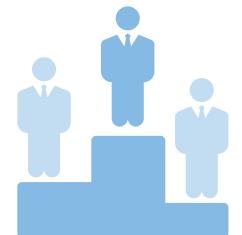

Public Liability Insurance is what you need to deal with compensation claims your business may face under these circumstances.

## KEYMAN PERSONAL ACCIDENT INSURANCE

### Protect the key person.

In every organisation, there are individuals who are vital to the success of the business, and its day-to-day operations.

Protect them at all costs. With Keyman Personal Accident Insurance, your business will also be compensated for the financial impact of losing these key personnel in an accident.

Kebakaran tidak boleh dipandang ringan. Ia boleh memusnahkan keseluruhan perniagaan anda.

Oleh itu, pastikan anda melindungi premis perniagaan dan segala kelengkapannya daripada kerugian dan kerosakan akibat kebakaran atau kilat atau letupan domestik.

Polisi asas kami juga boleh dipertingkatkan mengikut keperluan anda untuk perlindungan daripada punca-punca lain seperti banjir, gempa bumi, rusuhan dan serangan.

## INSURANS KERUGIAN AKIBAT KEBAKARAN

### Menjamin kelangsungan perniagaan anda.

Kebakaran boleh mengakibatkan kerugian yang sukar dipulihkan, sama ada secara material maupun kewangan.

Insurans Kerugian Akibat Kebakaran menawarkan anda insurans tambahan yang membantu melindungi semua kerugian yang merencatkan perniagaan anda **selepas** kebakaran. ## INSURANS PERALATAN RISIKO MENYELURUH

### Apabila peralatan tidak berfungsi, perniagaan juga terhenti.

Perlindungan insurans untuk mesin-mesin industri dan peralatan komersial yang menggerakkan perniagaan anda adalah satu kemestian.

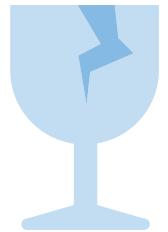

Insurans Peralatan Risiko Menyeluruh melindungi peralatan mudah alih dan kekal seperti mesin cetak dan mesin pembungkusan. ## INSURANS PLAT KACA

### Lindungi perniagaan daripada retakan kaca.

Premis perniagaan yang dikelilingi kaca memang tampak gah. Namun kos penggantiananya adalah tinggi.

Insurans Plat Kaca direka khusus untuk perniagaan yang mempunyai pintu, tingkap, panel dan bekas pameran kaca. Ia melindungi pecahan kaca akibat kemalangan di dalam premis, namun ia tidak merangkumi kecacatan atau kerosakan selain retakan ke seluruh ketebalan kaca.

## INSURANS PECAH MASUK

### Anda mangsa jenayah, kami ringankan beban anda.

Pecah masuk dan kecurian boleh berlaku secara tidak dijangka. Jadi, pastikan anda bersiap sedia.

Bersiap sedia dengan perlindungan asas yang melindungi barang berharga di dalam premis anda daripada kerugian dan kerosakan akibat pecah masuk dan rompakan bersenjata adalah dinasihatkan bagi semua jenis perniagaan.

## INSURANS WANG

### Wang datang dan pergi. Jangan biarkan ia hilang begitu sahaja.

Anda berkerja keras untuk mengumpul wang dan anda pasti tidak mahu kehilangannya.

Insurans Wang melindungi kehilangan wang akibat pecah masuk atau rompakan.

Insurans Wang melindungi Wang dalam Transit seperti jualan tunai, ketika dalam perjalanan ke bank atau pengeluaran wang untuk gaji semasa anda mahu pulang ke premis. Malah, ia juga melindungi kehilangan Wang di Premis, seperti wang tunai, cek, wang pos, setem dan bil-bil yang dicuri dari premis perniagaan anda.

## INSURANS JAMINAN KESETIAAN

### Kepercayaan anda harus dilindungi.

Polisi ini melindungi anda dan tidak mengambil mudah tentang isu kejujuran.

Walaupun anda mempercayai semua pekerja, kami sarankan anda untuk mengurangkan risiko kehilangan wang, instrumen boleh niaga atau barang syarikat yang berpunca daripada ketidakjujuran dan penipuan pekerja.

## INSURANS LIABILITI AWAM
